Business record review

Two public-business examples • Evidence archived October 30, 2026 (UTC)

See what a source-dated business report can retain.

This sample reformats two successful owner test results. It illustrates the proposed report format; it is not a purchased report or a fresh check of these businesses.

INPUT / RESULT

Tyson Fresh Meats | AR Bonded packer • exact legal name + region	**MATCH · 1 record**
Arab Livestock Market, Inc. | AL Dealer + selling market agency • exact legal name + region	**MATCH · 2 records**

BONDED-LIST PUBLICATION	SOURCE RETRIEVED
September 22, 2026	**October 29, 2026**

Publication date and retrieval date mean different things. Retrieving a list on October 29 does not make a September 22 published record current.

Read before using the evidence
No resolved or unresolved suspension-name matches were returned for these two inputs. That is limited to the supported snapshot. Current or expired registration status is unavailable. Some livestock buyers may legitimately have no record.

A match is not approval, current-bond certification, a credit rating or a guarantee of payment.
